

LEGAL NOTICE

Notice of decision of the Inland Wetlands and Watercourses Agency of the City of Middletown, Connecticut, at its regular meeting held on Wednesday, March 4, 2009.

1. Approved with conditions an application for construction of a 12-inch ultra low-sulfur diesel (ULSD) pipeline from its existing Middletown junction just northwest of the Arrigoni Bridge to a natural gas-fired power plant currently under construction at the eastern edge of the city to supplement Kleen Energy's natural gas supply. Applicant/agent Buckeye Partners LP/City of Middletown/State of CT (08-17)
2. Determined that no permit was required for an application for a residential subdivision and road construction with necessary grading within regulated area of wetland/watercourse on adjoining property, to be located at 85 Flynn Lane. Applicant/agent DeFavero Designs, LLC/Madelyn Cerritelli (09-01)

Joseph Carta
Chairman

P.O. No. 2002-02557 Acct. No. 067419

The above legal notice to appear in the Hartford Courant ONCE.
